The quote will be selected based on the following criteria:

1. Price – (max. 40 points – this is 40% of the maximum number of points to gain). The points will be awarded as follows: The lowest offered price will be considered 100% and awarded maximal number of points (24 points). The points for consequent offers will be given based on the formula:

$$\frac{Price_{lowest}}{Price_{service}} \times 40 \text{ pts}$$

where:

Price_{lowest} – lowest price amongst offers.

Price_{service} – price proposed in evaluated offer.

2. Quality – (maximally a total of 30 points – this is 30% of the maximum number of points to gain). Scoring in the quality criterion will be given for a concordance with the points detailing the study. In case of similar, but not identical point, the doubts will be considered in favor of a Tenderer.
3. Declared time of delivery of the results – (max. 30 points – this is 30% of the maximum number of points to gain). Scoring in the price criterion will be as follows: 0 points – more than 120 days of declared time-to-results; 10 points – up to 120 days of declared time-to-results; 20 points – no more than 90 days of declared time-to-results, 30 points – no more than 60 days of declared time-to-results considered from date of publishing results of this request for quotation.
4. Total scoring will be considered as a sum of Price, Quality and Declared time of delivery of the results (100 points maximally to gain).
